

# Mission Road Improvements:

## Pepper Tree Lane to Clemmens Lane

Construction  
Update #10  
April 2006

### 1 Update Overview

Welcome to the Construction Update for Mission Road Improvements: Pepper Tree Lane to Clemmens Lane. Our Company, Collaborative Services, is under contract to the County's Department of Public Works to provide you monthly project progress updates. This update is broken up into four sections:

- 1) Update Overview
- 2) Project Description
- 3) Construction Activities This Month
- 4) Community News

### 2 Project Description

From June 2005 through Summer 2006, the County of San Diego Department of Public Works is widening Mission Road in Fallbrook from Pepper Tree Lane to Clemmens Lane. Improvements include:

- widening Mission Rd. from 3 to 5 lanes;
- relocating on-street parking from west to the east side;
- curb, gutter and drainage improvements;
- sidewalk and bicycle route signs;
- intersection improvements;
- realigning Mission Road/Old Stage Road and Mission Road/Clemmens Lane/Main Avenue intersections; and
- undergrounding existing utilities.

Daytime Work Hours:

7:00 am – 4:00 pm Monday through Friday

Nighttime Work Hours:

8:00 pm – 5:00 am Sunday - Friday

Temporary Traffic Control: For the safety of the community and the construction crews, traffic lanes have been adjusted to create work areas. Please allow extra time to travel through the construction zone and observe the posted speed limits to avoid double-penalty traffic fines.

During Daytime Work: One lane of traffic in each direction and one 2-way left turn lane will be kept open.

During Nighttime Work: One lane will be open with a flagging operator in place to direct traffic.

### 3 Construction This Month

Roadwork will resume after AT&T, Adelphia and SDG&E finish placing their wires into new underground conduits.

While the utility companies are converting from overhead to underground service during April and May, Daley Construction is responsible for maintaining traffic control and water pollution control devices.

No night work is scheduled for this month.

### 4 Community News

Thank you for your continued cooperation and patience as we work to improve your community. If you have any questions, please contact:
